#### **Day 5: Serengeti | Ngorongoro Crater**

After breakfast, game drive en-route towards Ngorongoro Crater with packed lunch, On arrival, descend down to the crater one of the largest intact volcanic Caldera in the world, the crater floor offers game viewing to homely permanent population of more than 30 000 animals, and is one of the only places in Africa where you stand a very good chance of seeing the big five (lion,

leopard, buffalo, rhino and elephant) in the course of a morning or evening game drive.

Dinner and Overnight at the crater rim Simba Crater Camp

Meal Plan: Full Board

### **Day 6: Full Day at Ngorongoro Crater**

Descend once again down to the Ngorongoro Crater, one of the wonders of the natural world. An extinct volcano that collapsed around 25 million years ago thus is forming a vast super bowl where the largest permanent concentration of African game is on display. The views from the top of the crater wall are absolutely breathtaking which are forested but four wheel drive vehicles will take you down into this primeval paradise of woodland, lake, river, swamp and plain that shelters around 20,000 animals. Large grazing animals such as wildebeest, buffalo, gazelle and zebra that depends on the open grasslands in the crater. Attracting predators, the black-maned lion, the leopard and hyena. The elephant found are the lone males. The Fever Tree forests shelter monkeys, bushbuck and waterbuck and the few black rhino that have taken refuge here. A soda lake attracts water birds, including flamingoes and is a favourite place for predators to make their kill. Wildly beautiful as it is, it is not surprising that Ngorongoro Crater has been called a Garden of Eden. The game drives are done with packed lunch.

Dinner and overnight at the Simba Crater Camp,

Meal Plan: Full Board

### **Day 7: Ngorongoro | Tarangire National Park**

After breakfast, game drive en-route for Tarangire National Park. In the afternoon you'll be taken on a game drive through the park. Many of the animals congregate around the only source of permanent water in the park, the Tarangire River. This is the best place in Tanzania to see really big herds of elephants of up to 300 at a time on safari.

Dinner and overnight at Tarangire Campsite.
